Choice Based Credit System (CBCS)

Choice-Based Credit System is a flexible system of learning. 'Credit' defines the quantum of contents/syllabus prescribed for a course and determines the number of hours of instruction required. The distinguishing features of CBCS are the following:

It permits students to

- * choose electives from a wide range of elective courses offered by the University departments
- * undergo additional courses and acquire more than the required number of credits
- * adopt an inter-disciplinary approach in learning
- * make best use of the expertise of available faculty

Last Date for Submission of Application Form : 30.06.2026
